Sleep

198 spacious guestrooms, beach villas, suites and overwater villas

SAii rooms, suites and villas are designed with cheerful explorers in mind with a boho-chic aesthetic that subtly reflects the destination's maritime heritage. Natural textures and marine-inspired hues mirror the views, while bespoke bathroom amenities can be blended at the aroma bar, or selected from the natural touch fruit and floral collections. Playful inclusions like handcrafted puzzles and 'creature comfort' pillows bring a smile to the stay.
